

Be safe on the beach

Look at the poster and make safety rules.

Use negative and positive commands, e.g.

"Don't forget to wear a sun hat!"

"Go to beaches with a lifeguard!"

The words in the box can give you some ideas. Find verbs that go with them and write the commands in your exercise book. Can you make 10 safety rules?

|-------------------------|---------------------|
| forget | a sun hat |
| jump off | with a lifeguard |
| <i>Find more verbs!</i> | the walls |
| | sunscreen |
| | inflatable toys |
| | the edge of a cliff |

Early finisher:

Can you think of more safety rules? Write them down!

Checkpoint:

Compare your results with your partner's! How many rules have you got? Have you got the same rules?
