

The passive voice in the simple past – A new theme park

Come to our new theme park! It's fun for all age groups and will open soon near Blubbertown.

Here you can see the park's activities.	Change the activities into the simple past passive.
<p>Let's come to some facts first...</p> <ul style="list-style-type: none"> • The owner changed six square kilometres of undeveloped area into a park of pure entertainment – both indoors and outdoors. • Different companies constructed, furnished¹ and supplied² five cafés, three restaurants and a dozen shops. • The park employed hundreds of workers to move earth, to build and to transform structures. • The constructors utilised³ 25 building cranes⁴ to move material and to erect all structures. • Imagine: They threw away 156 work tools because of deterioration⁵. And we do not only talk about small drilling machines⁶... 	<p>Let's come to some facts first...</p> <p>EXAMPLE</p> <ul style="list-style-type: none"> • Six square kilometres of undeveloped area were changed into a park of pure entertainment – both indoors and outdoors. <p>NOW YOU</p> <ul style="list-style-type: none"> • Five cafés, three restaurants and a dozen shops and • Hundreds of workers to move earth, to build and to transform structures. • 25 building cranes to move material and to erect all structures. • Imagine: 156 work tools because of deterioration. And we do not only talk about small drilling machines...

1 to furnish = möblieren
 2 to supply = beliefern
 3 to utilise = verwenden, benutzen
 4 a building crane = ein Baukran
 5 deterioration = Verschleiß
 6 a drilling machine = eine Bohrmaschine

<ul style="list-style-type: none"> • A firm created three artificial lakes and five kilometres of rivers. • The park's managers read more than 6,000 application forms and held 3,000 job interviews so that then they could employ 2,000 people. 	<ul style="list-style-type: none"> • Three artificial lakes and five kilometres of rivers • More than 6,000 application forms and 3,000 job interviews so that then 2,000 people
<p>When you are interested in indoor activities, find your favourite activities here...</p>	<p>When you are interested in indoor activities, find your favourite activities here...</p>
<ul style="list-style-type: none"> • A company built a cinema and another one delivered a 16 metres high by 22 metres wide screen. • They made a pool with artificial waves as high as five metres and a 25 metres long water chute⁷. • Moreover, workers installed a super bubbly whirlpool area. In the same pool area they created a waterfall so that waterfall jumping will surely be on everybody's list. • Other craftspeople⁸ raised a diving tower and dug an underwater world to explore and filled both with a lot of water, cliffs and fish. • Of course, the owner thought of a roller coaster and a ghost train as well. 	<ul style="list-style-type: none"> • A cinema and a 16 metres high by 22 metres wide screen • A pool with artificial waves as high as five metres and a 25 metres long water chute • Moreover, a super bubbly whirlpool area In the same pool area a waterfall so that waterfall jumping will surely be on everybody's list. • A diving tower and an underwater world to explore and both with a lot of water, cliffs and fish. • Of course, a roller coaster and a ghost train as well.

⁷ a water chute = eine Wasserrutsche

⁸ craftsman, craftswoman; craftspeople = Handwerker, Handwerkerin; Handwerker (pl.)

The weather is good and you want to have some fun outdoors? Take a look here...

- The architects **designed** a huge playground including a tree top walk to suit both smaller children and teens.
- For visitors who love to stroll⁹ in a peaceful surrounding they **planned** a park where gardeners **planted** 25 huge flower beds and 100 different exotic trees.
- The owner **bought** or **saved** 250 animals for a wildlife park and these just wait to be stroked and fed.
- Experts **hired** high speed bikes to explore the immense area and offers.
- Easy distraction can be found either in a foam party area where craftsmen **installed** five colossal foam machines or in a dirt park where they **mixed** five tons of mud to ensure fun time – thankfully, plumbers **integrated** 30 showers too, which wait for the messy faces and bodies...
- Adventure seekers will find their joy in rafting: Artisans **constructed** artificial rivers with rocks and falls.

9 to stroll = schlendern

<ul style="list-style-type: none"> • As the workers built lakes, you can have fun driving a speedboat. • Of course, the owner did not forget the possibility to climb mountains or walk between treetops. • Are you looking for the ultimate buzz¹⁰? Then you are the right person for one of the following attractions: experts constructed a free fall area and set up a zero-gravity tube to give you ten seconds of air time. 	<ul style="list-style-type: none"> • As lakes also, you can have fun driving a speedboat. • Of course, the possibility to climb mountains or walk between treetops • Are you looking for the ultimate buzz? Then you are the right person for one of the following attractions: a free fall area and a zero-gravity tube to give you ten seconds of air time.
---	--

Now – which of those attractions draw you in most? Does ONE day really do???

10 buzz (figural, informal, slang term) = Kick
