

## Be safe on the beach

Look at the poster and make safety rules.

Use negative and positive commands, e.g.

"Don't forget to wear a sun hat!"

"Go to beaches with a lifeguard!"

Use the words from the right column of the table. Find verbs that go with them and write the commands in your exercise book.

<del>forget to wear</del>	<del>a sun hat</del>
<del>go to beaches</del>	<del>with a lifeguard</del>
jump off	where the black and white flags are
.....	the walls
	near boats
	the cliffs
	where the red flags are
	sunscreen
	inflatable toys in the water
	near the edge of a cliff
	near people who are fishing
	between the red and yellow flags

### Early finisher:

Can you think of more safety rules? Write them down!

### Checkpoint:

Compare your results with your partner's! Have you got the same sentences?
