

A checklist for text production

In general, language credits depend on lexical ①, structural ①, syntactic ①, stylistic ① and grammatical ② competence. To be more specific:

① Lexis, structure, syntax and style

- dictionary
- own words
- quantifiers
- linking words, structuring elements
- formal language
- formal methods: letter, speech,...
- use of adjectives and adverbs
- word order: S – V – O (time before place)

② Grammar

- tenses
- main clauses – sub-clauses
- articles
- relative clauses
- conditional clauses
- passive constructions
- participle constructions
- gerunds
- auxiliaries
- question tags
- s-genitive
- comparatives
- comparison of adjectives and adverbs
- reported speech
