

Britain's EU membership: arguments for and against

Fill in the speech bubbles with arguments that you might have heard from the two sides!

REMAIN

- "We are profiting a lot from trade in the EU Common Market."
- "EU citizens have the right to work and settle in other EU countries."
- "Workers' rights granted by the European Social Charter"
- "many other rights, freedoms and benefits, e.g. abolition of expensive roaming rates for mobile phones"

LEAVE

- "We are paying too much for the EU and receiving too little."
- "We can have better trade deals outside the EU."
- "We don't want to be ruled from Brussels. We want to take back control of our country."
- "We don't want anyone from abroad to decide about migration to Britain!"
- "The EU is turning into a superstate!"
