

## Be safe on the beach

Look at the poster and make safety rules.

Use negative and positive commands, e.g.

"Don't forget to wear a sun hat!"

"Go to beaches with a lifeguard!"

Use the words from the table (one from the left and one from the right column) and write the sentences in your exercise book.:

<del>forget to wear</del>	<del>a sun hat</del>
<del>go to beaches</del>	<del>with a lifeguard</del>
jump off (2x)	where the black and white flags are
swim (4x)	the walls
put on	near boats
sleep on	the cliffs
play	where the red flags are
go in the water	sunscreen
	inflatable toys in the water
	near the edge of a cliff
	near people who are fishing
	between the red and yellow flags

### Early finisher:

Can you think of more safety rules? Write them down!

### Checkpoint:

Compare your results with your partner's! Have you got the same sentences?
